

Centrifugal Closed Slurry Pump Parts High Chrome White Iron Or Steel

Our Product Introduction

Basic Information

- Place of Origin: China
- Brand Name: horizontal-slurrypump.com
- Certification: ISO
- Model Number: OEM
- Minimum Order Quantity: 1 set
- Price: based on quantity
- Packaging Details: wooden case
- Delivery Time: 15days
- Supply Ability: 200sets monthly

Product Specification

- Parts Material: A05 Metal Or R55 Rubber
- Colour: Customized
- Type: Closed Impeller
- MOQ: 1 Set Available
- Original: China
- Brand: Shiza
- Highlight: **slurry pump spare parts**

Product Description

Centrifugal Closed Slurry Pump Parts High Chrome White Iron Or Steel For 6 / 4 E

impeller
metal liner
pump case
pump base
cover plate and frame plate

Material :

High Chrome white iron or High Chrome steel

Alloy steel

grey iron and ductile iron

B1013, B15013, C2013, D3013, E4013, F6013, G8013, G10013, G12013, H14013, AL2013, BL5013, EL15013, F8013, DH2013, EH3013, EG86013, ESH4013, FH4013, FG108013, FSH6013, GG10013, GG1412292, GGH10292, EP4013, SL30013, FH6013, FHP6013, FG108013, GSH10013XM...

Pump replaced parts material:

A05-Wear white cast iron, applicable to flow components (impeller, front/rear guard plate, sheath, gravel pump body, liquid pump pump body, Secondary impeller, reduced pressure cap, stuffing box, etc.

A49-Low carbon high chromium white iron, usually used in desulfurization working condition, applicable to flow components

Materials	specifications	Application
high chrome	chrome contains 15% 27% 29% 30% 35%	slurry pump, crusher, coal mill and etc.
cast and ductile iron	HT200 HT250 QT500-7 QT400-12	bearing housing, base and etc.
stainless steel	SS304 316 316L	chemical , drinking water
Rubber	RUBBER , BUTYL, NEOPRENE HYPALON	slurry pump , chemical pump
polyurethane	various hardness	slurry pump, cyclone floatation
ceramic	SILICON CARBIDE SILICON NITRIDE CERAMIC AND CHROMIX OXIDE, ALUMINUM OXIDE CERAMIC COATING	mining slurry
