

## Intelligent Multi Stage Centrifugal Pumps 4 Kw Min Non Self Priming

Our Product Introduction

### Basic Information

- Place of Origin: China
- Brand Name: horizontal-slurrypump.com
- Certification: CE,CCC,UL
- Model Number: OEM
- Minimum Order Quantity: Negotiation
- Price: Negotiation
- Delivery Time: 5-8 work days
- Payment Terms: L/C, , T/T
- Supply Ability: 100000 pcs per month

### Product Specification

- Name: CDL(F) Series Vertical Multistage Centrifugal Pump 4-45 Kw
- Model: CDL64
- Power: 4-45
- Rated Current: 30-80
- Speed: 2900 Rpm
- Voltage: 50HZ
- Weight: 93-424
- Highlight: **vertical inline multistage centrifugal pump**

## Product Description

### CDL(F) series Vertical Multistage Centrifugal Pump 4-45 kw For Fire fighting system and Water treatment

CDL(T) is a non-self-priming vertical multi-stage centrifugal pump with a standard motor. The motor shaft and the pump shaft are directly connected with a coupling. The outer cylinder and the flow parts are fixed between the bracket and the inlet and outlet of the water body with nuts on the tie rod.

The pump can be equipped with intelligent protector according to the need, which can effectively protect the dry running, phase loss and overload of the pump

DLF vertical multistage stainless steel centrifugal pump, processed from the world advanced technology , takes the advantages of outstanding design of hydraulic model, high efficiency and sound energy conservation. The inside impeller, casing and other main components are all stainless steel punched. The flow channel is fairly smooth. The bearing shell and sleeve are made of hard alloy to achieve excellent service life and to avoid secondary pollution. Shaft seal uses wearing resistant mechanical seal to enable sound leak-tightness.

#### FAQ

Q1. Can I have a sample order for water pump?

A: Yes, we welcome sample order to test and check quality. Mixed samples are acceptable.

Q2. What about the lead time?

A: Sample needs 3-5 days, mass production time needs 1-2 weeks for order quantity more than

Q3. Do you have any MOQ limit for water pump order?

A: Low MOQ, 1pc for sample checking is available

Q4. How do you ship the goods and how long does it take to arrive?

A: We usually ship by DHL, UPS, FedEx or TNT. It usually takes 3-5 days to arrive. Airline and sea shipping also optional.

Q5. How to proceed an order for water pump?

A: Firstly let us know your requirements or application.

Secondly We quote according to your requirements or our suggestions.

Thirdly customer confirms the samples and places deposit for formal order.

Fourthly We arrange the production.
